Did you know that Cable Factory is one of North America's largest custom panel manufacturers. Having been involved in some of the largest panel projects like the Disney Theatre, we at Cable Factory can fabricate any custom panel you require. We also stock thousands of special connectors required for these plates. Please see www.customavpanels.com

Floor Pockets

- For mounting permanently in stage floor
- Custom plates available
- Black heavy duty steel

TYPE	DESCRIPTION
LLFP-12	Floor Pocket 12-D Size Holes

Cable Reels

- Easy setup
- Very Durable
- Custom configurations available
- Reel plates come unloaded

TYPE	DESCRIPTION
LLCRB-084	Cable Reel 8x4
LLCRB-124	Cable Reel 12x4
LLCRB-164	Cable Reel 16x4
LLCRB-244	Cable Reel 24x4

10 METAL WORK

Standard Snake Boxes Unloaded

- Come in standard configurations
- Custom plates available
- Heavy duty box with black anodized brushed aluminum plate
- Price does not include cable grip or connectors

TYPE	DESCRIPTION
LLBSB-06	Snake Box 6 Channels
